

# ASC X12C COMMUNICATIONS AND CONTROLS SUBCOMMITTEE

## Interim Meeting Minutes

FEBRUARY 11, 12 noon – 1 pm EST

Attendance—10 people, 8 constituents

### 1. Thursday, December 10

#### 1.1. Administration

1.1.1. The [January Standing Meeting minutes](#) are ready for review and will be considered approved February 12, barring objections.

#### 1.2. Pending Items

1.2.1. [The All Zeros Proposal](#): The 007030 999's public review has been completed. Staff have asked Stacey Barber that we be given the chance to review X12N's responses to the public comments before they are published.

1.2.2. The subcommittee has no pending RFIs.

1.2.3. [TR3 Change Request 1933](#): A motion to reject this change request was unanimously approved.

#### 1.3. Active

1.3.1. Chair will create a new maintenance request for [proposed changes](#) to the C072 Composite Loop Identifier and the Application Control Structures X12.6.

1.3.2. Discussed the new maintenance request process.

1.3.2.1. A new pilot [ASC02](#) has been posted on X12.org.

1.3.2.2. Some subcommittee members are concerned that the new process has been imposed from on-high without transparency or the involvement of the membership. They feel "done to" by Staff.

1.3.2.3. The Chair will start an iMeet discussion for the subcommittee to further discuss ASC02, [CAP11](#), and the [Annual Release Cycle \(ARC\) FAQs](#). The X12J Chair will add in J's comments.

Meeting recessed at 12:15 PM EST
