Attendance—8 people, 7 members

1. Thursday, January 9

1.1. Administration

1.2. Pending Items

    1.2.1. Change Request 1933 "X12 Version/Release Number in ISA12 Does Not Have to Match Value in GS08" This CR concerns the ISX, and will be discussed at the Winter Standing Meeting in Portland.

    1.2.2. The All Nines Proposal

        1.2.2.1. The subcommittee will work on a solution for this at our Winter Standing Meeting in Portland.

1.3. RFI Database

    1.3.1. RFI 2394: X12N is the developing subcommittee and X12C is interested.

        1.3.1.1. Waiting for X12N to write the response.

    1.3.2. RFI 2400

        1.3.2.1. X12N would like the response to be more specific.

        1.3.2.2. Staff wrote to the submitter, but have not received a response.

        1.3.2.3. There was a mistake in the ISA example, which will be corrected. The ISA12 field should read "00801."

        1.3.2.4. X12N invited the X12C Chair to its RFI group meeting in Portland to discuss this issue further.

Meeting adjourned at 12:15 PM EST
