II. Transportation Subcommittee (X12I) Meeting Minutes

Minutes of the Winter 2026 Transportation Subcommittee (X12I) meeting were approved as written.

III. Transportation Subcommittee (X12I) review of Requests for Information (RFI)

Transportation Subcommittee (X12I) did not review any Requests for Information (RFI) at the June 10, 2026 session.

IV. Transportation Subcommittee (X12I) reviewed 23 Maintenance Request (MR) items.

X12I – Reviewed the following MR's:

640 – In Development

- This aims to prevent confusion from reverting to older code descriptions and maintain consistency in DoD messaging standards.

644 – In Development

- This change corrects a long-standing absence of explicit syntax tying for these codes since the early 1990s.
- Christopher Hight, submitter and chair of rail industry EDI, affirmed that Railinc supports the update.
- The update streamlines data validation and prevents errors in electronic message transmissions.
- The committee decided to report the approval formally at the upcoming Monday meeting to avoid delays

651 – In Development

V. Transportation Subcommittee (X12I) New Project Proposals

No new project proposals were submitted.

VI. Transportation Subcommittee (X12I) Steering Committee update

No new steering committee update.

VII. Transportation Subcommittee (X12I) Old Business

No old business.

VIII. Transportation Subcommittee (X12I) New Business

- Dan Eisenberg raised the possibility of X12I facing a decline similar to the finance subcommittee due to low active participation.
- The group acknowledged that a historical quorum of only three active members has been sufficient but remains fragile.
- Past proposals to merge transportation with supply chain groups were mentioned as a possible strategy to maintain viability.
- Next meeting scheduled for Sunday, September 27th, in Jacksonville, Florida, with general session and reception moved to that evening

IX. Adjournment

The Transportation Subcommittee (X12I) Meeting was adjourned on Wednesday June 10, 2026 at 10:55 am CST.
