## Key Discussion Items: Tuesday, 9/17/2019

### Discussion

TGCWG3 – 2 people volunteered to work on 7 of the CRs currently in process.

### Decisions

No decisions required.

### Discussion

TGCWG2 – 6 RFIs approved by N Management, 4 more in N Management for approval. 10 RFIs handed off to TGB/WG3 for drafting responses. 8 RFI drafts ready to be posted. A comment was made that the response posted for vote on RFI 2351 was not the response that the work group came up with on 9/16/19. Need to look at this RFI and possibly disapprove so the correct response can be posted.

### Decisions

No decisions required.

### Discussion

TGC/WG5 – 2 CRs completed and ready for OnlyConnect entry.

### Decisions

No decisions required.

### Discussion

TGC./WG4 – 9 MRs so far have been reviewed and voted on by the group. 1 MR is being revisited in the next C4 meeting due to a reviewers comment.

## Discussion

**TGC will meet again on Thursday for another round table update as well as talk about report-outs.**

Kelly asked about the status of the Technical solutions principle document. Heather and Joel reported that the document was completed and approved at a previous TGC Standing meeting and has been posted in A.

### Key Discussion Items: Thursday, 9/19/2019

**Discussion**

Heather requested that all co-chairs finish their report outs if they haven’t already, they were due last night. Use new minute template, draft minutes are due today. Final minutes are due in a couple of weeks please do not be late.

**Decisions**

No decisions required.

**Discussion**

Meeting request needs to be returned to Jennifer by the end of the month. Joel stated that C3 and C4 may have to adjust their meeting times in January due to some conflicts.

**Decisions**

No decisions required.

**Discussion**

C4 and C7 still need co-chairs. Remember to ask for volunteers in today’s report out.

No decisions required.

**Discussion**

C5 – Common content work in progress in Harmonization.

**Decisions**

No decisions required.

**Discussion**

C2 – Pat volunteered to review the ‘how to’ for volunteers after the new document is ready. C2 co-chairs will be working to restructure the current process document in the Interim to align it more closely to the actual steps. Current document seems out of order.

**Decisions**

No decisions required.

**Discussion**

Discussion about a TGB workgroup taking over C7 transactions? Participation in C7 has improved and conveners are doing a fantastic job but due to job requirements can’t be named co-chair.
