Decisions
• None
Tuesday 01/28/2020
Discussion – Discussion regarding 838 CRs
• Welcome new attendees to the workgroup

- Discussed the open CRs
- Next steps with the CRs
- Determined next steps for Wednesday morning and Thursday; team decided to have Tom available to further our knowledge

Decisions

- None

Discussion - Open Session

- Discussed next steps for regarding CMS NPPES
  - What is next with the NPRM from ONC and CMS regarding provider information
  - Reviewed NPPES layout for provider information after enumeration
  - Reviewed additional documents from http://download.cms.gov/nppes/NPI_Files.html

Decisions

- We would like to have CMS and NPPES available for our 2020 Summer June workgroup session
  - Michelle has reached out; CMS and NPPES Deputy Director has stated they would be able to attend 1 day;
    - Recommendation to have a panel discussion with CMS and NPPES, a health plan and a provider as well as the workgroup co-chairs and;
    - Have CMS and NPPES join our workgroup session so we can effectively establish partnership and standards that will lead to interoperability and

Discussion – Reviewed the NPRM(s) specifically Notice of Proposed Rulemaking to Improve the Interoperability of Health Information

- Reviewed the proposed rule at https://www.healthit.gov/topic/laws-regulation-and-policy/notice-proposed-rulemaking-improve-interoperability-health
- Discussion regarding the Fact Sheets on the Proposed Rule
- Discussion regarding the Webinars that are available for viewing
- Discussion regarding Interoperability and how our TR3s are focused on interoperability

Decisions

- Workgroup meetings will continue to share information as the co-chairs and workgroup members learn from attending webinars, meetings, etc.

Wednesday 01/29/2020

Discussion - TGB Management Meeting

- Management discussed with co-chairs the need to finish 7030 guides.
- Management indicated guide examples need to be created and submitted by Summer Standing Meeting.
  - There needs to be at least 1 example per guide.
  - Work groups do not need to follow the CR BRTS process for example; can create and submit as a word document.
- Discussed work groups needing to prioritize any open CRs.
- Management discussed with co-chairs elevating version 7030 to version 8010.

Decisions

- Voting opportunity virtually
- Provider Information TR3s need to be completed and either out for comment or second comment period in before 3rd Q20

Discussion: 274 TR3

- Discussion regarding CRs
  - CR1822
    - Review comments;

- • Determine next steps
  - ▪ Adjust
- Discussion regarding the published version of the TR3

Decisions
• Co-chairs are working each CR to have the process completed for call to vote

Discussion – General Discussion
• Work group discussed moving from version 7030 to version 8010.
o Participants agreed an understanding of the differences between the versions is needed.
o Discussed CRs for published 7030 guides will move into version 8020 and CRs for non-published 7030 guides would be applied to version 8010.

Decisions
• None

Discussion – Report Out
• Started work with co-chairs and workgroup participants in creating our Report Out of the week's activities.

Decisions
• Michelle will present, Tom and Eric will be checking their flights

Discussion – Develop transaction examples
o Participants discussed version 7030 moving to version 8010, may need to review completed examples just ensure nothing needs to be revised.

Decisions
• None

Discussion: Finalize CRs
• 838 6020X305 Change Requests
o CR 1954-Entity Clarification Update
o CR 1955-CORE grouping mechanism
o CR 1956-Public comment updates

Decisions
• Reviewing for completion and next steps

Thursday 01/30/2020

Discussion: Continue Provider Information Discussions
• Discussion regarding gender coding, codes for both provider directories and payer directories
o Gender coding is important when consumers are "shopping" for an in-network provider as the consumer might be looking for a provider who is able to assist the consumer with specific procedures
o Gender coding is important for being available in our TRs across X12N
o WEDI has a gender code subworkgroup who is focusing on proposing a gender combined "code-set" for the health care industry to utilize

Decisions
• Some workgroup members are looking for the opportunity to work with the proposed gender "code-set"

Discussion: Create Informational Forum presentations
• Co-Chairs and workgroup members completed the Provider Information Report Out

Decisions
• Michelle to report out for the Provider Information workgroup
