Discussion					
Due to the lack of participants in this WG, Laurie Burckhardt proposed that this WG be disbanded and that the 820 transactions be moved to the 834 WG where they can be maintained together, particularly since some of the data items are shared. She recommended that this WG be disbanded after the next standing meeting in June 2020. Combining WGs will be helpful so that when a change is made to the 834 it can be evaluated if there					

is a downstream impact to the 820 and whether the same change should be made. The WG participants supports this change.

Decisions

Laurie will discuss further with the 834 WG.
