1 Preamble

1.1 Introduction

The Accredited Standards Committee (ASC) Steering Committee (Steering) is responsible for this policy and associated procedures. X12 members agree to adhere to X12's policies and procedures as a condition of membership. Non-member participants afforded specific collaboration privileges agree to adhere to X12's policies and procedures as a condition of those privileges. Any party may submit a revision suggestion via X12's online [Feedback form](#).

1.2 Authority

X12's primary organizational policies are established in the **X12 Bylaws (CAP01)** and supplemented by other corporate governance. The ASC's committee-specific rules are established in the **ASC Operating Manual (ASC01)** and supplemented by other committee-level governance. Unless otherwise specified herein, these subcommittee-specific rules stand alone and cannot be supplemented with additional rules. Any permitted supplemental governance must be reviewed by the P&P task group and posted on X12's publicly accessible policy and procedure web page.

1.3 Name/Formation

The Supply Chain Subcommittee (X12M) was formed on May 10, 2005.

1.4 Purpose and Scope

X12M Purpose and Scope (ASC80) defines X12M's purpose and scope.

2 Amendments to this Constitution

All proposed amendments to this constitution must be processed according to **ASC Subcommittees and Subordinate Groups (ASC05)**.

When the subcommittee is proposing the amendments, the subcommittee may seek input or advice from the Policies and Procedures Task Group (P&P) at any time. When the subcommittee is proposing the amendments, a draft version of the Constitution must be distributed to subcommittee constituents at least fourteen (14) calendar days prior to a vote on the amendments. If at least two-thirds (2/3) of the X12M stakeholders approve of a motion to move the proposed amendments forward for P&P review, the subcommittee chair submits the draft version to P&P per the requirements set forth in **ASC Subcommittee and Subordinate Groups (ASC05)** section 4.1 *Process for Revisions Proposed by a Group*.

When this Constitution is being revised to align with new, clarified, or revised corporate or committee policies or procedures, the revisions are processed per the requirements set

forth in **ASC Subcommittee and Subordinate Groups (ASC05) section 4.2 Process for Policy-Related Revisions**.

3 Stakeholders and Constituents

The corporate policies on stakeholders and constituents are established in the **X12 Bylaws (CAP01)** and supplemented by **X12 Membership (CAP04)**. In addition, X12M establishes the following more restrictive policies which apply to the subcommittee and its task groups and work groups.

X12M is open to any X12 member with a material interest in the functions defined in **X12M Purpose and Scope (ASC80)**. X12 members who meet the specific requirements defined in *Section 3.1 Requesting Recognition as a Stakeholder* may request and be granted recognition as an X12M stakeholder. X12M stakeholder recognition resides with the member, not with the member's representative. Once the X12 member is recognized as an X12M stakeholder, the X12 member's representatives are eligible for recognition as an X12M constituent based on the requirements defined below. Each X12M stakeholder is entitled to one vote in X12M ballots, regardless of the number of X12M constituents the stakeholder names. Each of the stakeholder's X12M constituents has the right to speak in meetings, participate in collaboration activities, propose and second motions, and hold X12M offices.

An X12M stakeholder must meet the requirements defined in *Section 3.2 Maintaining Recognitions as a Stakeholder* to continue to be recognized as an X12M stakeholder.

3.1 Requesting Recognition as a Stakeholder

The following requirements must be met for an X12 member to be recognized as an X12M stakeholder.

- The X12 member must have a material interest in the functions defined in the X12M Purpose and Scope.
- One of the X12 member's representatives must have participated as an observer in X12M sessions at two consecutive Standing Meetings. When the X12 member is recognized as an X12M stakeholder, the representative who met the participation requirement is recognized as the stakeholder's X12M constituent.
 - Exception: If a member representative changes employment or otherwise ceases to represent one X12 member and commences representing another X12 member, previous attendance as an X12M constituent may substitute for participation as an observer.
- The X12 member's primary representative completes the X12M Stakeholder Application at <http://www.x12.org/forms/>
- The X12M chair forwards the petition to the X12M secretary for processing.

The X12M secretary works with X12 staff to verify the accuracy of the petition. Upon verification that all requirements are met, the X12M secretary informs the X12M chair and the requester that the X12 member is recognized as an X12M stakeholder. The X12M secretary also updates the appropriate X12M records.

3.2 Maintaining Recognition as a Stakeholder

The following requirements must be met to retain recognition as an X12M stakeholder.

- An X12M constituent of the stakeholder must participate in at least two (2) of every three (3) X12M meetings, and
- An X12M constituent of the stakeholder must participate in at least one (1) of every three (3) of X12M's online collaborations, if applicable.

Failure to meet the above requirements is considered as the stakeholder's resignation.

3.3 Resigning as a Stakeholder

An X12 member desiring to resign as an X12M stakeholder must have their primary representative email x12m-chair@x12.org, noting their request to be dropped as an X12M stakeholder. Upon verification that the request was submitted by the X12 member's primary representative, the request must be honored.

A stakeholder who has resigned may petition for stakeholder status again by meeting the requirements of *Section 3.1 Requesting Recognition as a Stakeholder*.

3.4 Additional Stakeholder Constituents

If another member representative of an X12M Stakeholder desires recognition as an X12M constituent, they must meet the following requirements.

- Have participated as an observer in X12M sessions at two consecutive Standing Meetings.
- Complete the X12M Constituent Application at <http://www.x12.org/forms/>

Constituent recognition will be effective upon confirmation by the X12M secretary.

3.5 Maintaining Recognition as a Constituent

To retain recognition as an X12M constituent, the constituent must:

- Participate in at least two (2) of every three (3) X12M meetings, and
- Participate in at least one (1) of every three (3) of X12M's online collaborations, if applicable.

Failure to meet the above requirements is considered as the constituent's resignation. If a constituent is deemed to have resigned, the X12M chair notifies the X12M stakeholder's primary representation of the resignation and request that the stakeholder assign a new X12M constituent. Once the participation criteria are met, the primary representative completes the appropriate form at <http://www.x12.org/forms/>. The new assignment is effective upon confirmation by the X12M secretary.

3.6 Reassigning Constituent Status

An X12M stakeholder can at any time change their X12M constituent. The new constituent must have participated as an observer in X12M sessions at two consecutive Standing Meetings. Once the participation criteria are met, the primary representative or the current X12M constituent completes the appropriate form at <http://www.x12.org/forms/>. The change is effective upon confirmation by the X12M secretary.

4 Observers

Any member representative of any X12 member is permitted to attend an X12M meeting; however, such individuals are only afforded speaking privileges upon invitation of the X12M chair and are not entitled to any other subcommittee privileges.

Non-member attendees of an X12 Standing meeting may attend X12M sessions; however, such individuals are only afforded speaking privileges upon invitation of the X12M chair and are not entitled to any other subcommittee privileges.

5 Voting

Each X12M stakeholder has one and only one vote on any motion before the subcommittee.

X12M is not obligated to respond, formally or informally, to any comment presented with a vote on an X12M ballot.

6 Meetings

X12M meets at each X12 Standing meeting and conducts interim meetings as called by the chair between Standing meetings.

7 Roles and Responsibilities

ASC Subcommittee and Subordinate Groups (ASC05) defines the ASC's policies and procedures related to qualifications and election of subcommittee officers. In accordance

with **ASC05**, X12M will have a chair and may elect a vice-chair at the discretion of the subcommittee. X12M officer elections are conducted in advance of the Fall standing meeting of even-numbered years. Officer titles are held by the X12M constituent. Elected officers may hold one or more appointed positions concurrent with their elected term of office.

The subcommittee's appointed roles are defined below. All appointees are named by and serve at the pleasure of the X12M chair, however, appointments must be confirmed or reassigned every two years. Appointees may hold one or more appointed positions concurrently.

- The X12M chair appoints a constituent to serve as the subcommittee's primary PRB representative.
- The X12M chair may appoint a PRB alternate representative to represent X12M when the PRB primary representative is unavailable.
- The X12M chair may appoint a constituent to serve as X12M secretary.
- The X12M chair appoints a constituent to serve as the subcommittee's primary X12J representative.
- The X12M chair may appoint an alternate to represent X12M when the X12J primary representative is unavailable.

The responsibilities of the chair, vice-chair, secretary, PRB representative and alternate, and X12J representative and alternate are established in **ASC Subcommittee and Subordinate Groups (ASC05)**.

8 Task Groups

Per the **X12 Bylaws (CAP01)**, the X12M chair may establish and disband standing and ad hoc task groups as necessary to accomplish X12M's work. However, X12M hereby elects to conduct all activities at the subcommittee level and does not establish task groups.

9 Subcommittee Work Products

ASC Subcommittee and Subordinate Groups (ASC05) establishes a subcommittee's responsibilities and obligations related to its work products..

10 Terminology

To ensure consistent use of terms, definitions, and acronyms across X12 products and activities, X12 maintains the **Wordbook**, a comprehensive corporate glossary. The included terms are either proprietary to X12, cite definitions published by another authority, or represent common terms and definitions that are relevant to X12's work. The terms and definitions defined in the **Wordbook** must be used in X12 work products when applicable, without modification or revision. The **Wordbook** can be referenced online at wordbook.x12.org.

11 Document History

New versions of this document are effective on the Steering approval date listed below.

Approved	Description
03/28/2023	V6: Minor rewording and revisions to align with ASC05 related to officers and elections..
09/15/2017	V5: Renamed to ASC81, reformatted per the Constitution template, removed redundant content per policy, converted to standardized content when applicable. (X12M approved on 6/6/17)
10/24/2011	V4: Approved
01/11/2010	V3: Approved
09/24/2009	V2: Approved
05/10/2005	Initial version approved.
