

X12N/TGC/WG2

RFI

The Request for Interpretation (RFI) work group (TGC|WG2) is a standing advisory work group operating under the Insurance subcommittee (X12N) of the Accredited Standards Committee (ASC). The work group's activities are coordinated by the TGC task group and overseen by the X12N officers. The task group adheres to all applicable corporate, committee, and subcommittee policies and procedures.

Purpose

The RFI work group (WG2) facilitates X12N's responses to Requests for Interpretation (RFIs).

Scope

The RFI work group's responsibilities are:

- Maintaining an inventory and tracking the progress of open RFI's assigned to X12N
- Drafting a response to each RFI assigned to X12N, including coordinating with other X12N groups as necessary to ensure an accurate response and referencing previous RFIs to ensure consistency across responses
- Coordinating with other X12 subcommittees on RFI's that span subcommittees
