Directions for joining EDIL:

Here are the instructions for joining EDI-L on groups.io.

Email based - probably the easiest way:

Send an email to EDI-L+subscribe@groups.io

Web based -

Create a membership on groups.io.

Search for EDI-L - the link is <https://groups.io/g/EDI-L>

Join the group. When you post your first message, it will be moderated until I approve it, and then you are automatically upgraded to full posting privileges.

- If you have any other content you want on EDI-L, send it along - or become a member, and post it yourself!!
- Wrap up
