ASC Chair

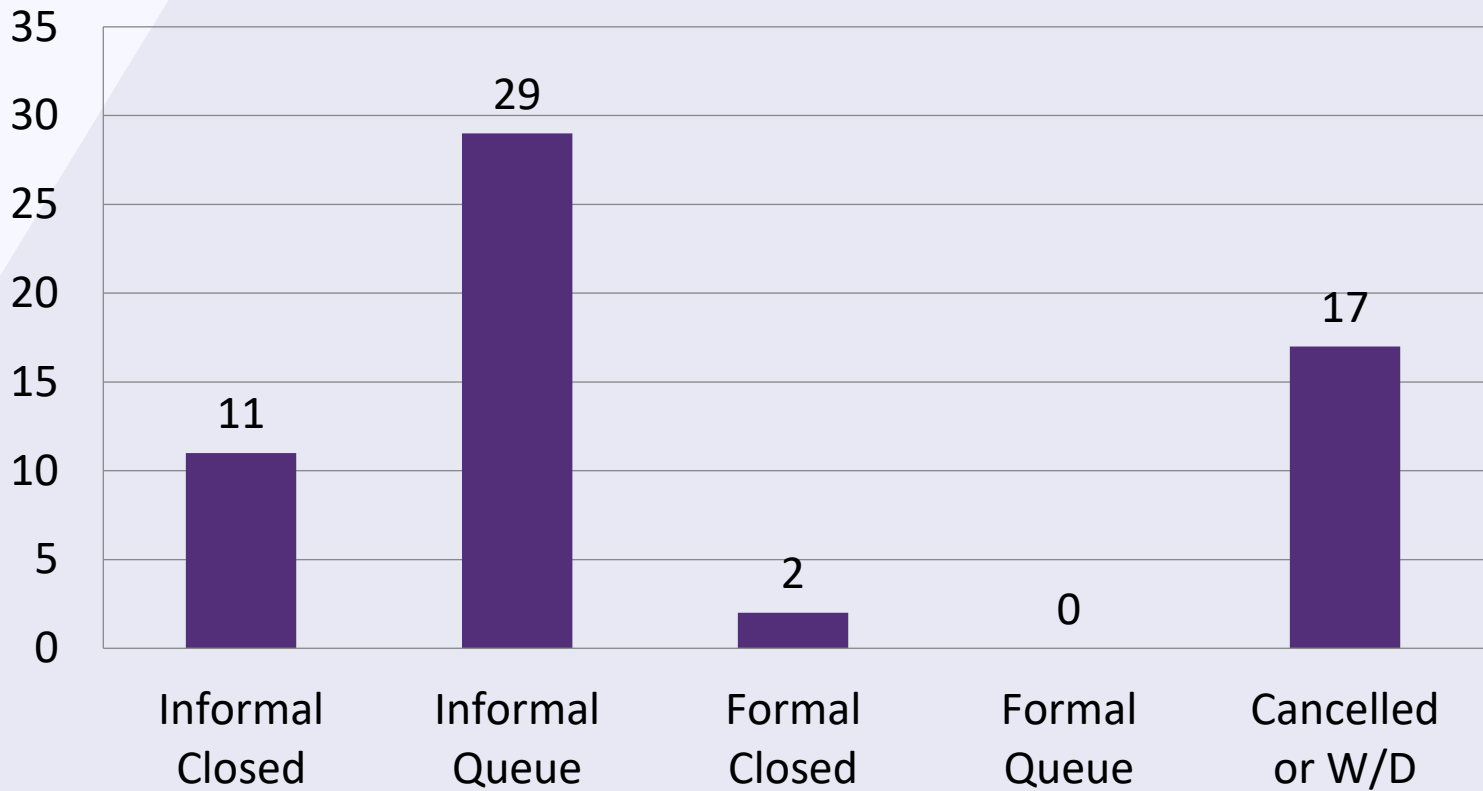

MR AND CMR REQUESTS

1/1/2022 - 9/14/2022

REQUESTS FOR INTERPRETATION

1/1/2022 – 9/16/2022

RECOMMENDATIONS

- X12 submitted the first set of recommendations to NCVHS in early June
- Submission of the second set of recommendations is imminent
- An informational web page containing more details is available at x12.org/news-and-events/x12-recommendations-to-ncvhs

ARC AND MR PROCESSING

- The Annual Release Cycle (ARC) is opening new doors for X12 as external organizations see that we are operating on a predictable schedule as we promised we would
- ARC continues to mature based on lessons we are learning with each release and feedback from implementers

ARC AND MR PROCESSING

- Similarly, our members and external organizations are seeing the benefits of processing enhancements in smaller increments to make them available in a timelier fashion
- The MR process continues to mature based on lessons we are learning with each iteration

ARC AND MR PROCESSING

→ Next up for the MR process

- *Publishing an annual schedule of milestones so X12 member representatives have a clearer expectation of the steps and the timing*
- *Enhancements to the data collected as MR solutions are finalized which will support more automated difference reporting*
- *Enhancements that will help X12 member representatives keep track of active MRs that are related or that intersect with other active MRs*
