REQUESTS FOR INTERPRETATION

1/1/2023 – 10/1/2023

RECOMMENDATIONS

- X12 has submitted two sets of recommendations to NCVHS
- NCVHS recommended not to mandate the first set, quite yet
- X12 submitted a request to NCHVS for reconsideration regarding the first set; expecting to be on NCVHS' November Agenda
- X12 continues to facilitate discussions with stakeholders regarding moving the first set of recommendations forward, along with the other sets

OTHER ACTIVITIES

- After several cycles of the MR process, we have learned a lot
- We have a backlog of Impact Assessments to address
 - *Engaging additional help to address it immediately*
 - *Considering options to reduce, if not avoid a backlog in the future*
- The ASC has sent its recommendation regarding JSON to the X12 Board

A stage spotlight is shown in the top-left corner, casting a wide, conical beam of light. The beam starts as a bright yellow-white at the source and transitions through shades of orange, red, and finally to a deep blue at the edge. The light pool on the dark floor is a bright, glowing oval. The text "IN THE SPOTLIGHT" is centered within the beam of light.
