X12 POC STATUS

Current challenge

- Verifying the transactions work as expected and don’t break something that worked in 005010
- Next up is the new 835 with significant changes from the older version
- Validating the expected business benefits are realized
- Identifying unexpected obstacles and potential solutions or mitigation options
- Estimating implementation/transition costs

→ Read more online: News and Events
X12 - MILESTONES

→ Version 008050 of the EDI Standard is available

→ 008050 implementation guides will be in Glass soon

IN THE SPOTLIGHT
IN THE SPOTLIGHT

INTRODUCTION

→ In the Spotlight materials are initially presented at an X12 corporate meeting, also known as a General Session

→ Each presentation covers one topic

→ These “quick hits” highlight new features and functions or remind the audience of things they may have forgotten over time

→ X12 welcomes suggestions for Spotlight topics

• Submit suggestions on X12’s online feedback form at x12.org/feedback
The industries X12 supports are constantly finding ways to improve the efficiency and effectiveness of their business communications.

Ensuring X12 is ready to support those ever-evolving business requirements is key to organizations improving results and reducing costs.

Improving and formalizing communication pathways is critical.
IN THE SPOTLIGHT

LIAISONS

➔ X12 has several liaison roles
  • Formal Liaison
  • Informational Liaison

➔ Formal liaisons share information from X12 to another organization and from that organization back to X12

➔ Informational liaison responsibilities are limited to collecting information from the external organization and disseminating it within X12
IN THE SPOTLIGHT

SME

→ X12 recently established a new formal role, subject matter expert (SME) to ensure we are participating effectively in various business messaging discussions.

→ An X12 SME has extensive knowledge, expertise, and experience related to a specific topic, process, function, or technology.
IN THE SPOTLIGHT

FORMAL LIAISONS & SME’S

What’s the difference

• Formal liaisons are established to facilitate communication with a particular organization

• Formal liaisons are established in a formal agreement between X12 and another organization

• SMEs are established to facilitate communication on a particular subject

• SMEs may be established via a formal agreement or via X12 board action
IN THE SPOTLIGHT

FIRST SME

→ Our first official subject matter expert (SME) position is related to the healthcare industry’s ICD-11 initiative

→ ICD–11 is the international standard for systematic recording, reporting, analysis, interpretation and comparison of mortality and morbidity data

→ Stanley Nachimson is X12’s ICD-11 SME and will work within X12 and externally related to ICD-11 activities
