OPERATIONS REPORT

SUPPORTING THE MANDATED X12 278 IG

- In response to requests for material to point to or to generate talking points from, I've published a blog about authorizations
- x12.org/news-and-events/news/prior-authorization-automation-requires-more-just-new-interface

ANSI V9

- The initial paperwork has been submitted
- V9 will be based on version 008070 of the EDI Standard
 - *008070 = 009000*
 - *January 2027 EDI Standard - 009010*
- The Consensus Body has been formed
- Staff is preparing the proposed ANS for public review by the Consensus Body and our ANS ballot
- Watch for the ballot announcement, be sure to review and vote on the proposed ANS

CORE PROGRAMS NOW UNDER THE X12 UMBRELLA

- X12 has acquired CORE programs
 - *Certification program*
 - *Operating Rules*
 - *Business Scenarios for Code Combinations*
 - *The Companion Guide Template*
- No immediate changes
- Bob Bowman is heading up the transition and the ongoing operation of these program
- Bob will conduct a high-level informational forum on Monday at 4:30 in Clearwater

X12

NDC EXPANSION

- The expansion of the NDC code is not simply an exercise in adding length to a data element or qualifiers
- There is a significant impact on supply chain, transportation, retail, health care, and pharmacy business activities
- Upgraded scanners will be needed and shortages are already identified
- X12 leaders are participating in an NDC Forum and will be bringing information back to all impacted ASC subcommittees
- X12 can go above and beyond to lead our industry verticals through this upgrade

REMINDER: NO USE OF AI

→ Remember that committees, subcommittees, and subordinate groups are not permitted to use AI to complete their assigned activities, including:

- *Standards development*
- *Implementation Guide development*
- *Other Technical Reports*
- *RFIs*
- *Write-ups*

REMINDER: X12 INTERNAL DOCUMENTS

- X12 internal material cannot be shared outside of your member organization
- If your organization is complex with separate groups or entities, X12 internal materials can only be shared within the group or entity that hold the membership
- This includes
 - *Working documents*
 - *Comment period materials*
 - *Ballot materials*
 - *Internal discussion – in meetings or via iMeet*

X12

X12 AND HL7

- HL7 has a new CEO, Rachel Dunscombe
- I've met with her and am looking forward to an improved relationship with more collaboration
- Current Joint Activity
 - *Bi-directional Authorization Mapping*
 - *Follow-up on CMS concerns*
