

X12-02 CMG04

Statement of Work

CMG04, the Health Care Services Code Maintenance Group (HCS), operates as an action group within the External Code List Oversight (ECO) Subcommittee of the Registered Standards Committee (RSC).

CMG04 is assigned responsibility for maintaining code lists related to health care services. The detailed responsibilities of a CMG are defined in ***External Code Lists (CAP12)***.

These external code lists are assigned to CMG04.

Code List ID	Code List Name	Code List Description	Used in these EDI Standard Transactions
886	Health Care Services Decision Reason Codes	These codes communicate the reason for the health care services review outcome.	278
958	Service Type Codes	These codes identify business groupings for health care services or benefits.	270, 271, 278
