Decisions

- ◆ Some changes were made correctly, some changes were made, but were not correct, and some changes were not made
- ◆ Seems like BRTS 1984 did not have the correct changes in it – we should redo 1984
- ◆ Need to check BRTS 1985 – Deb said it was entered into OnlyConnect and marked completed on 3/27/2020 – around time of hacking
- ◆ CR 2005- Deb said it looks like it is still open – BR vote in April 2020 and moved to close, but nothing about Technical Solution – around time of hacking
- ◆ CR 2016 does not have the Technical Solution done
- ◆ CR 2019 was entered last week, but the changes are not in the Collector yet
- ◆ CR 2020 - change not in BRTS – Donna thinks we were told we did not have to put this in – need to check
- ◆ CR 2025 – List of changes
 - An extra space, but it looks like it was in BRTS that way and in Technical Solution
 - Change X12 name to qualifier name – was in the BR, but not the Technical Solution
 - REF02 name
 - REF03 name and ID number removed from column
 - Donna thinks this is substantive – redo BRTS
- ◆ CR 2026 does not have the Technical Solution done
 - ◆ We held off on reviewing the following comments:
 - ◆ 61349, 61461, 61350, 59564, 60790, 57577, 60788, 60791
- ◆ CR 2027 was entered last week, but the changes are not in the Collector yet
 - ◆ We held off on reviewing the following comments:
 - ◆ 60645, 60646, 60647, 60648, 60649, 60650, 60657, 60707, 60720, 60721, 60722, 60726, 61403, 61460
- ◆ CR 2040
 - ◆ Comment 60740 was not finalized
