IN THE SPOTLIGHT

IN THE SPOTLIGHT

INTRODUCTION

→ In the Spotlight materials are initially presented at an X12 corporate meeting, also known as a General Session

→ Each presentation covers one topic

→ These "quick hits" highlight new features and functions or remind the audience of things they may have forgotten over time

→ X12 welcomes suggestions for Spotlight topics

- Submit suggestions on X12's online feedback form at x12.org/feedback

IN THE SPOTLIGHT

FORMAL LIAISONS & SME'S

→ The industries X12 supports are constantly finding ways to improve the efficiency and effectiveness of their business communications

→ Ensuring X12 is ready to support those ever-evolving business requirements is key to organizations improving results and reducing costs

→ Improving and formalizing communication pathways is critical

IN THE SPOTLIGHT

LIAISONS

→ X12 has several liaison roles

- Formal Liaison

- Informational Liaision

→ Formal liaisons share information from X12 to another organization and from that organization back to X12

→ Informational liaison responsibilities are limited to collecting information from the external organization and disseminating it within X12

IN THE SPOTLIGHT

SME

→ X12 recently established a new formal role, subject matter expert (SME) to ensure we are participating effectively in various business messaging discussions

→ An X12 SME has extensive knowledge, expertise, and experience related to a specific topic, process, function, or technology

IN THE SPOTLIGHT

FORMAL LIAISONS & SME'S

→ What's the difference

- Formal liaisons are established to facilitate communication with a particular organization

- Formal liaisons are established in a formal agreement between X12 and another organization

- SMEs are established to facilitate communication on a particular subject

- SMEs may be established via a formal agreement or via X12 board action

IN THE SPOTLIGHT

FIRST SME

→ Our first official subject matter expert (SME) position is related to the healthcare industry's ICD-11 initiative

→ ICD–11 is the international standard for systematic recording, reporting, analysis, interpretation and comparison of mortality and morbidity data

→ Stanley Nachimson is X12's ICD-11 SME and will work within X12 and externally related to ICD-11 activities
